Education

B.Tech(CSE) 2015 - Present

P.E.S University

CGPA:9.74

12th grade (PU) 2014 - 2015

Christ Junior College

Grade: 95.5%

10th grade(ICSE) 2012 - 2013

Bishop Cotton Girls' School

Grade: 92.8%

Work experience

Web Developer

June 2018 - Present

Hewlett Packard Enterprise

Developed an e-neighborhood system where residents can report local incidents using their smartphones giving photo/video evidence.

Data Analyst

June 2017 - December 2017

Centre for Cloud Computing and Big Data, PES University

Worked on Bahmni(an electronic medical record and hospital system). Analysed treatment records of patients to determine the best treatment plan for Elephantiasis.

Projects

- **File System Implementation:** Built a persistent functional file system using *FUSE* and implemented basic I/O operations and system calls.
- **Compiler Design:** Implemented the front end of a JavaScript Compiler using *Lex* and *Yacc*.
- **NFA to DFA converter:** A tool that takes the transition states of a Nondeterministic Finite Automaton as input and outputs the transition states of the equivalent Deterministic Finite Automaton.
- **Restaurant database:** Created a database that includes information like customer details, bills, cuisines and employee details using *MySQL*.

 Developed a Web Interface for the database using *HTML*, *CSS*, *JavaScript* and *PHP*
- **Crime prediction:** Predicted the crime rates in cities of USA using different regression models like *Linear regression, SVMs* and *Random Forests*.
- **Babelfish-A language learning website:** An interactive website that helps users learn the basics of Spanish through flashcards and quizzes. The website was developed using *HTML*, *CSS*, *JavaScript* and *PHP*.

Skills

- **Programming:** C, Python, R, Java(Basics)
- **Web Development:** HTML, CSS, Javascript, PHP
- Database: MySQL

Elective Courses

- Advanced Algorithms
- Data Analytics
- Computer and Network Security

Achievements

- Presented a project on Analysis
 of treatment plans for
 Elephantiasis in the 8th
 National Colloquium on
 Advancing lymphoedema
 research and Integrative
 Medicine held at Institute of
 Applied
 Dermatology, Kasaragod, Kerala
- Among one of the 45 students selected out of 1200 students in India for Microsoft's Codess India Event
- Received Prof. C.N.Rao scholarship for the years 2015-16, 2016-17 and 2017-18 for outstanding academic performance
